## Design

Work closely with our 'in house' design team to develop your concept into exactly the product you want.

Using the latest 3D design software we are able to create high quality visuals that enable you to see an accurate and realistic representation of what your finished product will look like.

Our '**in house**' **photographic studio** and video editing software means we can capture photos and videos for use in customer specific presentations.

## Manufacture

With factories in the far east, who we communicate with throughout the day, it is our priority to ensure each item we make is produced to the highest quality.

Our products are **made from high quality 100% melamine**; a material that is one of the most versatile and undersold materials available.

With our expertise we are able to produce new and innovative products in small quantities which makes us an ideal resource to use when you're trying to find just the product you're looking for.

## Supply

A 27,000 sq ft warehouse enables us to store and distribute over 2000 product lines. Regular containers deliver our products to our warehouse making sure our stock levels are maintained.

Whilst we deliver to the UK, **goods are also exported daily to Europe, Russia, America and Asia** with our network of distributors constantly widening the field even more.

We endeavour to meet any request and can tailor a package to suit your needs, whether it's shelf ready packaging or barcodes let us help you to get what you want.

## Step 1

Meet with our experienced sales team, discuss your ideas and come up with a concept created exclusively for you.

## Step 2

Our 'in house' graphics team will make your idea come to life, providing you with 3D visuals to show you exactly how your product will look.

## Step 3

Manufactured in the far east we communicate daily with our factories to ensure we follow each stage of production for your item.

## Step 4

A sample is produced, checked by our design and purchasing team and then presented to you for final approval.

## Step 5

When your products arrive at Dalebrook they are checked by quality control to make sure they are just as you ordered. These are then ready to be delivered to you.

## UK Head Office

Our new head office, based in Essex, is a great resource to our UK and International customer base. Our Sales, Marketing, Purchasing and Design Team are all on hand to assist in the smooth running of the business.

## Show & Meeting Facilities

Showcasing our innovative products and designs, our showroom is a great place to learn more about melamine. We also have meeting facilities for up to 40 delegates so you can host your meetings here using the latest technology.

## Distribution Centre (27,000 sq ft)

Our new purpose built facilities are helping us to maintain and improve the levels of service we provide. Now with a 27,000 sq ft warehouse we have doubled our capacity to cater for our growing customer base.

# Who buys dalebrook products?

..."Dalebrook products are unique in appearance and quality. Their customization and design service is professional and straightforward and with their low MOQ, there is nowhere else we'd rather go for melamine buffet ware"...

**Purchase Department**  
**Karstadt Germany - Food Service**

**KARSTADT**

..."Dalebrook is the best distributor in all of Europe for sourcing leading edge products from all over the world for supermarkets, foodservice/catering, and the leisure markets. I have partnered with them for many years from the United States with very successful results"...

**Merchandise Department**  
**Hubert Company LLC, United States**

**Hubert**

..."Service levels and responsiveness are essential in the retail environment, I'm happy to say that, to date Dalebrook are meeting both these requirements for Asda"...

**Asda Stores UK**

## Trays & Dishes

- Our classic trays & dishes are essential for any sector of business.
- Made from Melamine and SAN they are durable and dishwasher safe.
- Will suit any counter or food display.
- Try using our Marine Blue trays for serving fish, the perforated base is ideal where drainage is required.

# Bowls

- 26 Ramekins & Pots
- 28 Valencia Bowls
- 29 Valencia Bowls
- 30 Bowls
- 31 Bowls
- 32 Olaria & Low Bowls

# Ramekins & Pots

- Melamine Ramekins and Pots are the ideal alternative to ceramic; they are hard wearing and chip resistant, resulting in less breakages.
- Our NEW Dover pots are perfect for serving sauces, snacks and dips.
- Try using our melamine tubs for presenting condiment sachets in a more uniformed way.

## Olaria & Low Bowls

- Olaria bowls have the look and feel of ceramic and are elegantly styled.
- The terracotta bowl has an earthy matt finish, making it feel like it has just come out of the kiln.
- Low bowls are great on their own as a simple yet practical bowl, or they can be used with our ham stands to create height and impact within your food display.

# Point of Sale

- 34 Melamine Tickets
- 36 Laminated Tickets
- 38 Ticket Stands & Clamps
- 39 Ticket Clamps & Pins
- 40 Acrylic Menu Holders

**Step 1**

Choose a design, or use one of your own...

**Step 2**

Add your company name or logo...

**Step 3**

Add descriptions for all of your tickets...

**Step 4**

Receive your customised melamine tickets...

# Melamine Tickets

- All in one ticketing system, made from melamine. They are dishwasher safe and extremely durable.
- Can be customised with your own description, colours and logos to create a design just for you.
- They have an integrated calendar, time gauge and space for the PLU number, to make locating items and checking their 'sell by dates' a lot easier.
- Try our NEW sponge; add water and it will clean most marks from our melamine tickets, even permanent marker.

# Ticket Stands & Clamps

- Our universal ticket stands and clamps are designed to fit with any Dalebrook product.
- Available in 3 lengths of arm it is adjustable giving you the ability to move them to a position that will give you the most impact for your display.
- The head has two sections for holding tickets; one is thinner than the other to make sure that any type of ticket will fit.
- We also have a basic range of stands which are a simple yet effective way of displaying your tickets.

Cutting Mat

## Cutting Mats

- Lightweight and flexible, a great alternative to heavy chopping boards.
- Ability to transfer food from mat to dish/saucepan by picking up mat and 'pouring food' causing less mess.
- Food safe and colour coded making it easy to follow health and safety practices.
- They can also be customised with your company logo.

## Platters

- Our platters are a great alternative to plates and trays.
- Use them to enhance the presentation of your food or to add a premium feel to your display.
- Choose from the oriental looking or the sleek and classic.
- 100% Food Grade Melamine.
- Durable and Dishwasher Safe.

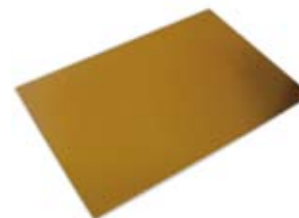

# Gold & Wicker

- Wicker print & gold platters are ideal for using in a counter; they create a chic and eye catching display.
- Gold platters are ideal for presenting chocolates.
- Use the wicker print platters to create a more traditional display for serving cakes, sandwiches or pastries.
- These platters are great for replenishing and easy cleaning and they are also dishwasher safe.

## Shapes

- Create a unique food presentation using our shapes; we have a variety to choose from each with their own distinct qualities.
- Wavy bowls have a premium feel to them and can create a perfect centre piece or an eye catching display.
- Use the leaf bowls as an alternative way to present snacks or the smallest one to present sauces as an alternative to ramekins.
- Our NEW premium crescent dishes can work together or on their own offering another creative way to display your food.

# Multi Display

- Need to display more than one variety of food? Our multi display trays, bowls and dishes are the answer.
- Great for bars and restaurants to serve snacks, sauces or tapas.
- Made from 100% food grade melamine.
- Our melamine is dishwasher safe, chip resistant and extremely durable perfect for a fast paced environment.

## Round

- Ideal for presenting cakes or quiches, our melamine round plates can be used with pedestals to add extra height to your counter. Turn to the display aid section for more information.
- The round tray can be used with our domed cover to keep food fresh.
- For a more premium round plate try our Oslo plates which have the appearance of china.
- All products are made from melamine and are dishwasher safe.

# Square

- Stylish and contemporary our melamine square products are an ideal way to add a touch of panache to your display.
- Choose from our classic square dishes which are great for sauces or our deluxe melamine dish (1730) a must have for serving canapés.
- Extremely durable and dishwasher safe.
- For more square dishes and trays, try our Dover range found in the ranges section.

## Oval

- We have a variety of oval trays, platters and dishes; made from melamine they are lightweight, durable and dishwasher safe.
- Our one piece shield plate is angled so that food is pointed directly towards the customer. Great at creating promotional hotspots.
- Use our deluxe oval platter to create a premium feel to your food display, this is thicker than our normal platters and has the appearance of ceramic.
- All melamine products are dishwasher safe.

# Ranges

- 68 Deluxe Range
- 70 Ellipse Range
- 72 Black & Claret
- 73 Sushi Dishes
- 74 Orbit & Verity Ranges
- 76 Basics Range
- 77 Arctic Range
- 80 Buffet Plate

# Dover Range

- Designed by Dalebrook this range has proved to be our most popular to date. Premium in its look and feel, the mixture of contemporary design and functionality makes for a very versatile range.
- NEW sizes and shapes now available which include angled Dover bowls, thin rim trays and bowls, pots plus a new bowl with a round base.
- The angled Dover bowl is ideal for creating a visual impact in your display as the food is pointed towards your customer.
- The new Dover bowl with a round base is a great alternative to our existing style. It still has the straight, sleek lines at the rim but is a more traditional bowl.

# Deluxe Range

- A variety of premium quality bowls, dishes, platters and pots. Thicker than our usual melamine these have the look and feel of china but the attributes that only melamine can provide.
- We have extended this range of products to include many new styles designed by Dalebrook. These include the new crescent dishes which can be used together to create a variation to your food presentation.
- All items are dishwasher safe and extremely durable.
- Use with our Dover Range to create a display of the highest quality.

# Ellipse Range

- The ellipse range has an oriental style but with a more contemporary twist.
- We have expanded this range to include two NEW sectioned dishes. These are made from thicker melamine giving them an even greater ceramic appearance.
- This range works well in counters or on their own; the small bowl is perfect for serving desserts.
- Made from melamine, they are dishwasher safe and chip resistant.

## Black & Claret

- This range gives you a touch of the orient with its black & claret colours and traditional products.
- Ideal for restaurants and themed buffets, the claret colour can create a striking back drop for food.
- Made from melamine, these products are dishwasher safe, chip resistant and extremely durable.

# Sushi Dishes

- Now available in two tone colours our NEW range of sushi plates and dishes are vibrant and stylish.
- Available in six colours these are designed to work with conveyor belts or on their own. There is also a lid available which is great for maintaining food longevity.
- They are chip resistant, dishwasher safe and virtually unbreakable perfect for a restaurant environment.
- Match with our small bowls on page 30 to create a fresh and fun look.

# Orbit & Verity Ranges

- We have two NEW ranges of premium dinnerware, perfect for outside dining, spas, leisure centres, care homes and caterers.
- The Orbit range is designed by Dalebrook and is a more deluxe range of melamine dinnerware. It has a classic and contemporary design which works perfectly to create a stylish yet functional range of products. See if you can tell the difference between this and china!
- Our Verity range is made thicker than our usual items giving it a distinct ceramic feel. Available in a speckled burgundy colour it is the ideal range for summer dining.
- These products are extremely durable and are chip and scratch resistant. They are also dishwasher safe!

## Basics Range

- Clean, crisp and simple the basics range is an essential choice for any environment.
- Its durability makes it ideal for institutional facilities, care homes, hospitals and educational catering.
- Available in a variety of plates, bowls and cups, you are sure to find what you are looking for in this range.
- We can customise this range to suit your requirements, why not promote your brand by adding a logo?

# Arctic Range

- We have a stylish NEW range of two tone products which add a twist to the standard range of items.
- There is a wide range of bowls, glasses and dishes available.
- They have the appearance of glass, are chip resistant, virtually unbreakable and dishwasher safe.
- Perfect for outside dining, spas and leisure centres.

# Buffet Plate

- Designed by Dalebrook our buffet plate is inventive yet functional. Made from lightweight melamine, it is extremely durable and dishwasher safe; an ideal product for outside catering and buffets.
- With three sections, there is a place for food, sauces and either a wine or champagne glass.
- An added benefit of the buffet plate is that it is stackable which means it's perfect for moving from one place to the next and for storing.
- It is currently available in white and black but can be customised with your own colour or logo.

## Primary Range

- Available in four vibrant colours our primary range appeals to children and makes mealtimes more fun.
- Mix and match the colours to add more variety or use them to distinguish dietary requirements by colour coding.
- These items are great for educational catering, use the traditional meal tray which is in the shape of a smiley face or the separate items for older children.
- All items are made from 100% food grade melamine, which means they are durable, scratch resistant and dishwasher safe.

Please prefix your chosen product code with the following colour codes

# Childrens Range

- Introducing our NEW children's range which has been updated, refreshed and now includes six designs.
- This range is a practical yet fun way of serving food to children.
- Each design consists of a sectioned plate, junior plate, bowl, spoon and double handed cup.
- All of these products are durable, scratch resistant and dishwasher safe.

# Childrens Range

- The junior plate is designed with a silicone ring to prevent slipping, ideal for first time eaters.
- Our time saving sectioned plate gives you the ability to serve more than one dish at a time giving a convenient solution to your meal times.
- Use these products in restaurants, nursery schools, pubs, kids clubs and leisure centres to provide an interesting and fun way of serving food.
- This range makes ideal gifts - perfect to sell in baby outlets, gift shops and supermarkets.

# Childrens Characters

- Our friendly characters are a great way to encourage children at mealtimes.
- Vibrant and bold these items are aimed at children from 2-8 years old.
- Also available in the 'pepper the penguin' range is a double handled cup, which is aimed at babies from 6 months onwards to help weaning off the bottle.
- Our products are made from melamine which makes them break resistant, scratch resistant and dishwasher safe.

# Rescue Range

- The rescue range is an innovative way for serving snacks to children.
- Each set consists of a worker and their vehicle which you can mix and match to create fun mealtimes.
- All these products are made from Melamine, which is perfect for children as it is virtually unbreakable, lightweight and especially for mums and dads - dishwasher safe!
- Why not let us create bespoke packaging for your retail outlet.

## Customised Designs & Packaging

- Products shown are examples of previous customisation specifically designed for client's individual requirements.
- Our in-house design team are able to create unique products from your inspiration – watch how your ideas come to life.
- Have it your way – we can develop existing products to suit your needs i.e. add a logo, change a colour or produce a brand new shape and design just for you.
- Found a set of products that you like? We are able to create packaging to suit your needs whether it is blister packs, SRP or gift boxes.

# Metal

- 90 Coated Aluminium
- 92 Stainless Steel
- 94 Aluminium

# Coated Aluminium

- A premium alternative to aluminium and stainless steel. Exceptionally stylish; these are ideal for making any presentation stand out.
- They are extremely hard wearing and a great conductor of heat but do not have the same constraints as standard aluminium. They are even dishwasher safe!
- These products have many applications they can be used in a counter, buffet display or on their own.
- Use the chopstick stand as an alternative way to add height.

# Stainless Steel

- Our products are made from 18/10 grade stainless steel. This means they are extremely durable, have a high degree of scratch resistance and are dishwasher safe.
- Try creating an oriental theme to your food display by presenting your food in our balti dishes; these are perfect for hot counters or carveries.
- Use with our stainless steel utensils on page 43 to achieve a uniformed look.
- Why not change from the traditional balti dishes and try using square instead of round.

# Aluminium

- Our handmade aluminium is both unique and elegant; these are great for creating centre pieces.
- They are extremely hard wearing and a great conductor of heat. All of our pieces are made from food grade aluminium and can be used for hot or cold applications.
- Although aluminium looks great with most foods we do recommend that it is not used with spicy or acidic foods as it can cause the product to tarnish.
- Hand Wash Only!

# Finishing Touches

- 96 Cheese & Meat
- 97 Marine
- 98 Fruit & Vegetables
- 99 Strings
- 100 Vines & Garlands

## Cheese & Meat

- Perfect for creating an authentic look to your display.
- Life like in appearance and size but lightweight; these are ideal for using in a counter.
- These can also be used as props in film and TV.
- Use with our strings and garlands to create an eye catching back drop in your display.

# Marine

- Our marine products are great for creating a theme to your food display or counter.
- Ice chips are exceptionally realistic use with real ice to bulk out a display or create an interesting feature using our barrel bowl and ice chips.
- Try using a starter pack if you are unsure of what products to choose.

## Fruit & Vegetables

- Keep your food display looking fresh and vibrant with our fruit & vegetables.
- These products are authentic looking, long lasting and a great way of achieving a rustic feel in your counter.
- Use our grapes in your cheese counter to make it feel fuller and to add colour.

# Strings

- Dalebrook strings can add character and bring some fun to your display.
- Hang them around your counter or use to accentuate promotional spots, e.g. end of counter displays.
- Try using with our other artificial products to create an eye catching food presentation.

## Dividers

- Dalebrook dividers are ideal for using to separate different foods whilst also adding a splash of colour.
- We have a variety of sizes and colours to suit your requirements.
- Our fish dividers look great with ice and are perfect for counters displaying fish or seafood.

# Garnish Dividers

- Our range of garnish dividers are perfect for adding decoration but also for separating foods.
- They are heavy duty and extremely durable.
- Our garnish dividers are higher than our standard garnish which means they can be used with deeper dishes.

# Garnish

- An essential part of any food display, our garnish is available in a variety of styles and colours. There's certain to be a style to suit everyone.
- The garnish is designed in two parts; the refill is able to slide out of the base making it easier to clean and also means you can replace the refills if needed.
- Some of our garnish is also available with an 80mm high base this is perfect for using with deeper dishes.

Standard Base supplied with garnish of your choice

## Garnish & Accessories

- Use garnish accessories to complete the look of a display and add a splash of colour.
- Grass matting can add texture and really change the look and feel of a food display.
- Use with our other artificial products and garnish to create a unique and attractive food presentation.

## 1. Definitions

"The Company" shall mean Dalebrook Supplies Ltd. "The Customer" shall mean the person, firm or company to whom any quotation is addressed or with whom any verbal or written contract is made. "The Goods" shall where the context permits include units, parts and accessories agreed to be sold.

## 2. General

(a) Any order including any based on, or resulting from any quotation is deemed to incorporate these terms and conditions; and these terms and conditions supersede any terms or conditions proposed by the Customer and shall prevail over any inconsistent terms or conditions contained in or referred to in any order, correspondence or elsewhere and all or any arrangements to the contrary are hereby extinguished.

(b) The Company accepts no responsibility for the accuracy of drawings, patterns or specifications supplied by the Customer. No orders placed by the Customer whether resulting from a quotation or otherwise shall constitute a legally enforceable contract until accepted by the Company. The placing of an order based on a quotation supplied by the Company or in the absence of prior quotation the acceptance of an order imports therein the terms and conditions set out here under.

(c) Any information or technical assistance given by the Company is given in good faith and is for general guidance only, and does not constitute a warranty, guarantee or recommendation of the suitability of the goods for any specific purpose.

## 3. Quotations

(a) All tenders, quotations and estimates made by the Company are given without obligation and are subject to written confirmation when the order is placed.

(b) Although every effort will be made to meet delivery dates these are not guaranteed, the Company cannot be held responsible for loss or damage due to delay in delivery, nor shall the Customer be entitled to refuse to accept goods because of late delivery.

(c) The time given for the execution of the order shall be reckoned from the date of receipt of the Customer's written order or from the date on which all information and drawings necessary to enable the Company to proceed is received, whichever date may be the later.

## 4. Corrections

The Company reserves the right to correct any clerical or typographical errors made by its employees, servants or agents at any time.

## 5. Prices

(a) Whilst every effort will be made to maintain prices as quoted, the Company will only accept orders at prices ruling on the day of despatch, and such price shall be fixed at the Company's discretion after taking into account any increase in the cost of materials, transport and any other relevant factors; and the Customer hereby agrees to pay the price as invoiced. The Customer also agrees to pay for any loss or extra cost incurred by the Company through any request or instruction or lack of instructions or if there is any suspension of work due to the instructions or lack of instructions on the part of the Customer, its employees or contractors. Unless otherwise indicated in the Company's quotation no discount

of any kind is allowable. Prices being strictly nett.

(b) VAT will be charged at the rate applicable at the time of despatch.

(c) All prices and specifications are subject to alteration without notice.

(d) If an invoice is not agreed then it is incumbent upon the Customer to communicate this fact to the Company immediately as under no circumstances will any dispute be acknowledged by the Company more than 7 days after the date of the invoice.

## 6. Orders & Schedules

All verbal orders or instructions should be confirmed in writing within 3 days. Orders accepted by the Company cannot be cancelled without the consent of the Company in writing.

## 7. New Accounts

Two approved trade references and a bank reference are requested.

## 8. Carriage

Carriage is effected at the Company's option and appropriate charges will be made for such carriage based on current Carriage Standard Rates. Unloading is Customer's liability.

## 9. Payment

Unless otherwise agreed in writing, prices quoted and agreed by the Company and the Customer are nett prices, payable within 30 days of the date of the invoice. The Company reserves the right to charge interest in the event of payment being overdue at 3% over Barclays Bank plc base rate.

## 10. Risk

Risk in respect of goods shall pass upon delivery. When goods are by the Company's own transport delivery shall be deemed to take place at the moment the goods are lifted from the delivery vehicle. When goods are delivered by other means of transport delivery shall be deemed to take place when the goods are handed or surrendered to the carriers.

## 11. Claims

No claim for material damaged in transit or suffering from any defect apparent from reasonable examination will be considered by the Company unless:-

(a) An appropriately qualified signature e.g. Material received damaged (signed), is clearly made by the customer on the proof of delivery note. AND

(b) The Company is advised in writing, in addition to (a) above, within 3 days of receipt of material. No claim or loss in transit can be considered unless advised by the customer in writing within 10 days of invoice or in case of shortage within 4 days from receipt of goods and the Customer has signed the proof of delivery note indicating the amount of shortages. In no circumstances shall the Company be responsible for loss, damage or delay due to shortage of materials arising from circumstances beyond the control of the Company or from industrial disputes, transport delays, accident, plant failure or any other contingency (whether or not of the same nature as the foregoing), arising from circumstances beyond the reasonable control of the Company. The Customer is to indemnify the Company against any claims whatsoever for damages and costs and against all liability in respect of any infringement of patent rights or registered design resulting

from compliance with the Customers instructions expressed or implied.

## 12. Defective Products

The Company in no circumstances, will be liable to the Customer or user for any loss, damage or remedial expenses, whether direct or consequential, arising from the goods supplied by the Company for any purpose.

## 13. Return of Goods

The return of any goods properly supplied will not be accepted unless the Company's authority has been previously agreed and a returns number given. Notice of such return must be in writing within 7 days of receipt of the goods. Returns must be delivered carriage paid accompanied by a separate advice note detailing the consignment. Conditional upon goods being received in perfect condition, suitable for immediate resale, goods will be credited at invoice or current value, less a handling charge of 25%. If any reconditioning is found necessary this will be charged.

## 14. Specials

Goods made to the Customer's orders and/or specifications cannot under any circumstances be accepted for return or cancellation.

## 15. Specifications & Drawings

Unless otherwise agreed in writing all descriptive specifications, drawings and particulars of weights and dimensions, furnished by the Company are to be deemed approximate only and the description and illustrations contained in such documents are intended to represent a general idea of the product and not to form part of the contract.

## 16. Copyright

All drawings, descriptions and other information submitted by the Company shall remain the property of the Company together with the copyright therein and must not be disclosed or reproduced without the Company's written authority.

## 17. Limits of Contract

Any quotation includes only such goods, accessories and work as are specified therein.

## 18. Limitations of Liability

The Company shall have no liability for any loss, delay, damage or claim arising out of the following: (a) the Company's inability to obtain adequate labour or materials due to any cause outside the Company's control;

(b) prevention or delay in carrying out the works by reason of any cause outside the control of the Company including but not limited to any Act of God or force majeure.

(c) any act, omission, default or negligence by the Customer, its servants or agents.

(d) the Customer's failure to obtain all necessary permits approvals or licences required by law or otherwise with respect to the Work. Any costs incurred by the Company arising out of any of the matters described in sub clause (c) and (d) of this clause shall be invoiced to the Customer and shall, fourteen days after the date of such invoice, be a debt due from the Customer to the Company. Any claims arising from the negligence of the Company its servants or agents shall be limited to the Company's statutory liability.

(e) any infringement of patent rights or registered design resulting from compliance with the customer's instructions express or implied. Provided always that the Company shall not be held liable for any damage caused by negligence of its servants or agents when engaged upon the Customer's premises or otherwise, other than damage arising out of breach of contract.

## 19. Warranties

The Company warrants that it has exercised and will exercise all reasonable skill and care in:

(a) the design of the Work insofar as the Company has designed or will design the Work.

(b) the selection of goods and materials insofar as the Company has selected or will select the said goods and materials.

(c) the satisfaction of any performance specification or requirement provided always that such specification or requirement is included or referred to in the description of the Work or is agreed to in writing by the Company. Insofar as the Company has designed the Work such design shall at all times remain property of the Company and shall be used for no other purpose than the Work unless specifically agreed to in writing by the Company. No liability shall rest with the Company arising out of the unauthorised use of the design.

## 20. Insolvency

Should the customer commit any act of bankruptcy or make any composition or arrangement with its creditors or being a company has a winding up order made or (except for the purposes of reconstruction) a resolution for voluntary winding up passed or a receiver or manager or the business or undertaking is duly appointed or possession is taken by or on behalf of the holders of any debentures secured by a floating charge of any property comprised in or subject to the floating charge therein and in such case the Company, without prejudice to its accrued rights or remedies may by written notice determine its employment.

## 21. Retention of Title

All goods supplied by the Company to the Customer under the terms of any agreement shall remain the sole property of the Company both in law and in equity and the Customer acknowledges that it is in possession of all such goods solely as bailee for the Company until such time as the Customer shall have paid the Company the agreed price together with the full price of any other goods supplied by the Company pursuant to any other agreement between the Company and the Customer. Until such time as the Customer becomes the owner of the goods in accordance with the provisions of this clause, the Customer shall store such goods separately from its own goods or those of any other person or persons in such a manner as makes them readily identifiable as the Company's goods. The Customer's right to possession of the goods shall cease upon the occurrence of any of the events referred to in clause 20 hereof and the Company may thereupon enter upon any premises where the goods are stored or where they are reasonably thought to be stored for the purpose of repossessing the goods.

## 22. Legal Construction

Unless otherwise agreed by the Company in writing, these conditions shall in all respects be construed and operate as an English Contract, in conformity with English Law.

|----------------------|---|
| <b>Appearance</b>    | Toughened in either high gloss or matt.                 |
| <b>Performance</b>   | Hardwearing, scratch, chip resistant and durable.       |
| <b>Temperature</b>   | Withstands temperatures from -20°C to 90°C.             |
| <b>Cleaning</b>      | Dishwasher Safe (subject to non invasive chemicals).    |
| <b>Heat</b>          | No direct heat, not suitable for microwave or oven use. |
| <b>Customisation</b> | Can be customised in bespoke colour.                    |

|                      | Acrylic   |
|----------------------|---|
| <b>Appearance</b>    | Very high gloss similar to glass.                       |
| <b>Performance</b>   | Hardwearing, chip resistant and durable.                |
| <b>Temperature</b>   | Withstands temperatures from -20°C to 80°C.             |
| <b>Cleaning</b>      | Hand wash only.   |
| <b>Heat</b>          | No direct heat, not suitable for microwave or oven use. |
| <b>Customisation</b> | Can be customised in bespoke colour.                    |

|                      | Nylon   |
|----------------------|---|
| <b>Appearance</b>    | Opaque matt plastic.                                    |
| <b>Performance</b>   | Hardwearing, flexible, break resistant and durable.     |
| <b>Temperature</b>   | Withstands temperatures from -20°C to 90°C.             |
| <b>Cleaning</b>      | Dishwasher Safe.  |
| <b>Heat</b>          | No direct heat, not suitable for microwave or oven use. |
| <b>Customisation</b> | N/A   |

|                      | Coated Aluminium  |
|----------------------|---|
| <b>Appearance</b>    | Textured, sand cast aluminium.  |
| <b>Performance</b>   | Hardwearing, durable and good conductor of heat.                      |
| <b>Temperature</b>   | Withstands temperatures from -30°C to 290°C.                          |
| <b>Cleaning</b>      | Hand wash only.   |
| <b>Heat</b>          | Can be used with direct heat, not suitable for microwave or oven use. |
| <b>Customisation</b> | N/A   |

|                      | PP (Polypropylene)                                      |
|----------------------|---|
| <b>Appearance</b>    | Smooth, solid tubing; similar to real wicker.           |
| <b>Performance</b>   | Hardwearing, flexible, and durable.                     |
| <b>Temperature</b>   | Withstands temperatures from -20°C to 90°C.             |
| <b>Cleaning</b>      | Dishwasher Safe.  |
| <b>Heat</b>          | No direct heat, not suitable for microwave or oven use. |
| <b>Customisation</b> | Can replicate any basket weave and size.                |

|                      | Stainless Steel   |
|----------------------|---|
| <b>Appearance</b>    | Shiny, metallic.  |
| <b>Performance</b>   | 18/10 grade, hardwearing, durable and good conductor of heat.         |
| <b>Temperature</b>   | Withstands temperatures from -30°C to 300°C.                          |
| <b>Cleaning</b>      | Dishwasher Safe.  |
| <b>Heat</b>          | Can be used with direct heat, not suitable for microwave or oven use. |
| <b>Customisation</b> | N/A   |

|                      | Aluminium   |
|----------------------|---|
| <b>Appearance</b>    | Shiny, Metallic.  |
| <b>Performance</b>   | Hardwearing, durable and good conductor of heat.                      |
| <b>Temperature</b>   | Withstands temperatures from -30°C to 290°C.                          |
| <b>Cleaning</b>      | Hand wash only.   |
| <b>Heat</b>          | Can be used with direct heat, not suitable for microwave or oven use. |
| <b>Customisation</b> | N/A   |

All items manufactured from these materials should withstand recommended temperatures for warm cabinets but be aware that cabinets may have hot spots which could be well above the stated values, thus direct contact with heat must be avoided.

These notes are for general guidance only and do not form part of any guarantee, for specific or more information on any of the above please contact the sales office on +44(0) 1376 510101 or email sales@dalebrook.com

## Heating & Chilling Temperatures

Dalebrook products are intended for use in food counters and chiller cabinets where temperatures remain constant over a given period of time. We recommend that products are NOT subjected to dramatic changes in temperature (e.g. directly from the refrigerator to the dishwasher or into hot water). If you intend using products in particularly hot or cold environments, such as freezers or heated counters, please check with us for the material limits in question and for our suggestions of suitable products. Please note, that this information will be given as a guideline only and that we cannot be held responsible for any actions taken as a result of suggested usage instructions.

## Cleaning

Where possible we recommend hand washing for all our products to ensure they remain in the best possible condition throughout their life span. The majority of our products are dishwasher safe, but constant cleaning of this type can result in surface scratching as well as deterioration due to harsh detergents. In all instances care should be exercised in the choice of detergent and where calibrated measuring systems are used, these should be regularly checked to ensure optimum performance, as certain chemicals can have an adverse reaction to the glazing of the products. Never use scouring pads or similar abrasive cleaning products. Where stubborn food staining persists, investigate the use of a pre-wash soak if only in warm water.

## Product Usage

### General Guidelines

Our products are manufactured using materials carefully chosen for their strength and suitability for retail and catering. However, this does not mean that they are indestructible and we would advise that you follow our guidelines to ensure the products have as long a life span as possible.

## Design Service & Customised Products

We currently stock over 2000 products at our distribution centre, a wide range of which are included in this brochure. In addition we have the capability to design products specifically to your own requirements be this in size, shape, style or colour.

Have you an idea for a bespoke product? First we produce a 3D visual of your idea (subject to a design fee) together with a full quotation. Following your acceptance we proceed to manufacture your very own product (subject to a purchase order).

We may already offer the products you want, or you may wish to have something slightly different to everyone else! Our products can be matched to any colour you require or patterns and designs added to many existing items. Dalebrook can work to your own designs or produce designs for you.

We can also help with counter concepts and offer advice on how to use our products to their best display potential.

Minimum quantities apply for all customised and new products. Please contact us if you require details about specific products or ranges.

## Delivery

UK orders over £400 (excluding VAT) will be delivered free of charge\*. Consignments less than £400 will incur a £13 carriage charge. Consignments of £50 or less will incur an additional £5 small order handling charge plus carriage.

\*Applies to Mainland UK only (excludes Channel Islands, parts of Scotland, Wales & N. Ireland). All other destinations by prior arrangement.

## Length

| Millimeters (mm) | Centimeters (cms) | Inches (ins)  |
|------------------|-------------------|---------------|
