

CUSTOMER GUIDANCE SYSTEMS

To ensure order in building and customer's guidance system we have prepared in our offer system of entrance gates opened automatically (photoelectric cell and radar) or manually operated as well as equipment supporting checkout barriers, trolley entrances and room partitions. Various range of products let design and use different combinations of entrance and exit systems. Sophisticated design, esthetics of manufacture, ergonomics of constructional solutions are our advantage. All this with connection with the safety will allow for setting in order the sale within one shopping area.

ELECTRONIC ENTRANCE GATE PORTA'E RADAR

An electronic gate Porta'e RADAR is steering by radar without lighting. Gate can be available in two option: right or left - opens in right side or left side. The gate opens automatically in the direction of entry as you approach it. The gate closes also automatically.

Installed "anty-panic" system prevents from opening a gate in opposite direction. This system allows you to open an emergency gate at the appropriate pressure despite the blockade. Gateway attached to the ground.

CLAMP FOR FIXING THE CHECKOUT BARRIER

Example of use of the clamp

The clamp is used to fix the checkout barrier to the room partition H-1085 mm (gates compatible with the clamp are set out in are specified below). The clamp is applied to the transverse tube of room partition with a diameter of 40mm. Pipes are then bolted together with the partition, and clamp is stiffened by tightening the grub screws. The checkout barrier can be fixed to the clamp from one or both sides.

ROOM PARTITION H 2000 (GRATE + PLEXI)

ELEMENTS OF PARTITION H-2000 mm:

Remarks:

We recommended to use at least 4 clamps for grate and 4 for plexi board.

Wire grate 950x950 Light is made of Ø3,3 mm wire (wire net) and Ø9 mm (frame), net mesh 50x50 mm.

Optionally, instead of the elements: wire grate 950x950 mm Light + Plexi board 1020x950 mm, you can mount the board made of polycarbonate 926x1878 mm. In this case we recommended to use 8 clamps.
